## SCREENING TRUTH TO POWER

### **LOOKING FOR YOUR CREATIVE TAKE ON REALITY Cinema Politica Call for Submissions - Extended (2013-2014 Program)**

Cinema Politica is currently seeking submissions of independent documentary works for our extended Fall deadline of August 31, 2013.

Cinema Politica is a non-competitive continuous documentary screening series with locations throughout Canada and abroad. We are a non-profit media arts organization committed to connecting audiences on campuses and communities to independent political and social issue documentary media. Most of our screening activity occurs during the academic year with two annual submission deadlines: August 1 (Fall program) and December 1 (Winter program).

### SEEKING STUDENT SHORTS

In addition to our program of punchy political docs, Cinema Politica is seeking student shorts to pair with longer running works. If you've got a great short or know a student who does, please send us a screener - we'd love to check it out!

### SUBMITTING YOUR DOCUMENTARY

There is no cost to submit your work to Cinema Politica and we are not responsible for lost or stolen items. Submitted works will not be returned.

Cinema Politica specializes in showcasing political non-fiction film and video of all lengths that tackle important social, political, cultural and ecological issues. We take our tagline "Screening Truth to Power" very seriously and program original works that look at under-represented stories of struggle, oppression, resistance and transformation.

Online screener links (preferably Vimeo) of shorts and features can be emailed to [programming@cinemapolitica.org](mailto:programming@cinemapolitica.org). Please use the subject heading "Submission."

DVD submissions should be mailed to the following address:
